Nov. 8-Ann will be there (we presume), we hope Connie or Christy can help, Jeff will attend and Catherine will teach.

Nov. 22-Joining Sunday. Ashley will pick up the cakes at Costco, we need someone to help with set-up before worship so the cakes are ready to go.

Calls: Calls made to prospective members were divvied up. Roberta asks that we email her about anyone that we call and give her the basic information about that person.

Sponsors: We discussed making the role of the sponsor more clear and less elusive. Christy is working on job description for sponsors.

Roberta will participate in conversation about the types of questions being asked to new members.
