

## Welcome Home

We are happy you are here. Please join our vibrant community of families where worship, fellowship and growth opportunities abound.

We combine a common loyalty to Jesus Christ with respect for the uniqueness of each individual.

We share commitment to God, to one another

and to the world while valuing our diversity and open inquiry.

We covenant to walk together in faith but assent to a particular creed is never a requirement.

## Sunday Worship, Church School and Child Care

**9 am** Intergenerational Activities, Adult Education, Youth Group, Child Care

Most children join their families in the sanctuary for the beginning of worship, often sitting together in the front left pews in the sanctuary, and then depart for church school.
