

FLAT CATHERINE AND HER DOG LIZZIE

As you will notice, Flat Catherine travels light and only carries a one-page trip journal to learn about the places she visits. We hope you will:

- (1) take her somewhere interesting this summer, near your home or far away,
- (2) teach her something about the place you visited and take a picture with her,
- (3) complete this one-page trip journal, and
- (4) bring the picture and her trip journal back to church in the fall.
